Subject Permanent advance—

Letter No 3191 dated 7 December 1903 Gl. No 591 from the Commr Mysore Gook.. requesting sanction to ₹ permanent advances of Rs 20 & 7 respectively for the Court and Process Contingencies of the Munsiff of the Kolar Gold Fields and also of Rs 100 to the Deputy Nazir of the Court to meet batta of witnesses ~~paid~~ allowed to the Munsiff of the Kolar Gold Fields.

Article 77 of the Civil Account Code is to the effect that 'to an Officer incurring petty expenses which require to be paid at once before money can be obtained on a ~~Bill~~ Contingent bill a permanent advance is allowed, which is in general single for the whole Office i.e. a Dy. Collector is not allowed one advance for land revenue, a second for excise &c. &c. but only a lump sum advance which is held by the Accountant-Genl

at his personal credit". 2

In the present case 3 separate advances are asked for the Municipality of the Kolar Gold Fields. The Comptroller however requests that the advances may be sanctioned as per Art. 77(1) of the Civil Account Code Vol I. The advance allowed to other Municipalities may perhaps be ascertained. The Comptroller's Draft Sanctioning proposal is sub 2 for appl or other orders -

Note continued

In this office no H 1715 of 7.1.04 it was observed that the three separate advances asked for were not in accordance with article 77 of the Civil Account Code and the Comptroller was requested to state what the practice of other Courts was and what the amounts allowed were.

In reply, the Comptroller refers to Rule XVII for the service and execution of processes issued by the Civil Courts in the Mysore Province sanctioned in Govt Pro: no: 6318-9 J 709 dated 2nd December 1897 authorising a permanent advance of Rs 100 to be held by each Central or Deputy Nazir for the purpose of meeting batta to witnesses ~~&c~~ which they have to account and acknowledge for personally and which is apart from the permanent advance held by the Munsiffs to meet Contingent expenses of their courts. This practice is said to be observed by the Courts of the Munsiffs throughout the Province. It is added that these ~~t~~ advances have hitherto been sanctioned by Govt separately for process, Courts and Nazirs.

Subd

It is ascertained that the moneys received from parties on account of batta, are not remitted to the Treasury but are kept with the Central or Dy. Nazir until a certain limit - fixed for each class of Court is reached. Any excess over the prescribed limit is sent to the Treasury. The permanent advance is said to be required for payment of batta on processes received for service from other Courts, the amount of batta to be paid on the said processes being retained (under Rule XVII of the Rules published with G.O. No 6318-1/1 dated 2nd Dec 1897) in the Court issuing the process, until the accumulations (on the several processes sent for service) reach Rs 50 or till the end of the month, when the full amount will be remitted thro' the Treasury to the Court

Scrutiny of the process.
